

BCCS Mission, Vision, and Strategy

As endorsed by the Board of Directors on April 11, 2016 and approved by the Membership on October 1, 2016.

Our *mission* is to promote the conservation, exploration, survey, and scientific study of the caves and karst in and around Burnsville Cove, Virginia.

Our *vision* is that all the caves and karst in and around the Burnsville Cove will be protected from damage and will be accessible to responsible cavers.

We will accomplish our mission by:

1. Acquiring and managing significant caves in and around the Burnsville Cove.
2. Building strong relationships with local land owners and regional caving organizations.
3. Exploring, studying, mapping, and documenting the caves in and around the Burnsville Cove.
4. Protecting cave and karst biota.
5. Encouraging scientific study of caves and karst in and around the Burnsville Cove.
6. Attracting, developing, and retaining a strong and active membership.
7. Developing fiscal resources to further our mission.
